¹ At the Rule 16 Scheduling Conference, the Court advised the parties that it is willing to resolve nondispositive disputes between the parties on an informal basis via a telephone conference. However, before the Court will agree to proceed with this informal resolution mechanism, the "meet and confer" required by Fed. R. Civ. P. 37(a)(1) and L.R. 37.1 must have taken place, and all parties to the dispute must agree to use this informal resolution process as the very nature of the process is such that the parties are giving up rights they would otherwise have (e.g. the dispute is heard over the phone; there is no recording or transcript of the phone conversation; no briefs, declarations or sworn affidavits are filed). If the parties do agree to use this informal resolution process, one of

All dispositive motions and supporting pleadings (notice of motion, motion, exhibits, affidavits, memorandum of law, and proposed order), shall be served and filed on or before this date. In the event that the hearing for the motion is set to take place more than 42 days after this date, then unless the parties agree otherwise or as ordered by the Court, the response to the dispositive motion (including affidavits, exhibits and memorandum of law) shall be served and filed no later than 21 days after this date, and the reply memorandum shall be served and filed no later than 28 days after this date.

the parties shall contact Calendar Clerk Katherine Haagenson, 651-848-1190, to schedule the conference. The parties may (but are not required to do so) submit short letters, with or without a limited number of documents attached, prior to the conference to set forth their respective positions. The Court will read the written submissions of the parties before the phone conference, hear arguments of counsel at the conference, and if no one changes their decision during the phone conference regarding their willingness to participate in this informal resolution process, the Court will issue its decision at the conclusion of the phone conference or shortly after the conference. Depending on the nature of the dispute, the Court may or may not issue a written order. If there is no agreement to resolve a dispute through this informal resolution process, then the dispute must be presented to the Court via formal motion and hearing.

Counsel for the moving party shall call Calendar Clerk Lynn Holden, 651-848-1176 to schedule the hearing for the dispositive motion. All dispositive motions shall be scheduled, filed and served in compliance with the Electronic Case Filing Procedures for the District of Minnesota and in compliance with Local Rule 7.1. When a motion, response or reply brief is filed on ECF, two paper courtesy copies of the pleading and all supporting documents shall be mailed or delivered to Calendar Clerk Lynn Holden, 651-848-1176 contemporaneously with the documents being posted on ECF.

This case shall be ready for trial as of July 1, 2013. The parties estimate that trial of this Jury matter will take 3 days.

No more than 5 depositions shall be taken per party.

No more than 25 interrogatories (including all subparts) shall be served by one party on another party.

The Court will not establish the number of written discovery devices which may be employed by the parties not covered in this Order. The attention of the parties is called to the provisions of Rule 26(g)(2). If necessary, the Court will rule on objections to specific discovery. See also Rule 26(g)(3) and Rule 37(a)(4).

Each party may depose all disclosed experts.

Each party may call all disclosed experts at trial.

Protective Order and Electronic Discovery

The parties intend to enter into a protective order. In the interim, any documents which any producing party believes should be governed by a protective order shall be produced to opposing counsel for the attorney's review only and shall not withheld on the basis that no protective order is yet in place. After the protective order is entered, the producing party shall designate the documents under the protective order.

The parties shall preserve all electronic documents that bear on any claims, defenses or the subject matter of this lawsuit. Electronically-stored information shall be disclosed in a readable and full searchable electronic format.

Handling of Sealed Documents Filed in Connection with All Motions

In connection with any motion filed with this Court, only those portions of a party's submission (e.g., memorandum of law, affidavit and exhibits) which meet the requirements for treatment of protection from public filing (e.g., because they are subject to the attorney-client privilege or work product doctrine, they meet the standards articulated by Fed. R. Civ. P. 26(c)(1)(G), or a statute, rule or regulation prohibits their disclosure), shall be filed under seal. Designation of material as confidential or protected by any party pursuant to a protective order as the sole basis for filing the material under seal shall not satisfy this requirement.

With respect to any submission filed with the Court which is sealed and posted on ECF with a placeholder, the sealed submission shall be sent electronically or hand delivered to all parties and the Court contemporaneously with the documents being posted on ECF.
